

RED SPIDER COMPANY

Membership Form

Membership of Red Spider Company is open to all sections of the community. Several members admit, sometimes reluctantly, to being senior citizens but the group also likes to introduce local school children to the performing arts and invites them to work alongside adult members. Red Spider Company communicates with the membership through its newsletter, 'The Web', and at regular dramatic activities throughout the year. Red Spider is always looking for new members. Previous experience and expertise in drama is not necessary. Anyone interested can come along to any of our activities and see what we do. There is no obligation and you will be made very welcome.
